Safety Tips

One of the things people take for granted when showing their home is safety. When you put your home up for sale and start inviting strangers into your house, you need to consider some of them may not have good intentions. Here are a few practical tips to keep you and your family safe.

- Never show your home alone.
- Store all your valuables out of sight.
- If you have guns, store them at a family or friends house if possible. If not, make sure they are locked and out of sight.
- Get some personal information from the person(s) who want to see your home, such as a name, telephone number and where they work.
- Call the number they gave you and confirm the appointment. This will verify that the information they gave you is correct.
- Put the visitors personal information in a book or folder. Give this information to a trusted friend for safekeeping.
- Have the person(s) you are showing your house to stay together. Stay with them at all times.
- Try and make arrangements for your kids to go to a friend's house.
- If the house is vacant and you are meeting the person(s) there, do not park your car where it can be blocked in.

We forget that Realtors® offer safety as well as help when selling our homes. Realtors® usually get personal information on people whom they are showing property to such as where they live and work. They also tend to have the person(s) meet them at their office so they can all ride in the Realtors® car. This way the person(s) have to leave their car in the Realtors® parking lot. Realtors® also try to keep people together when showing your home so they do not have to worry about theft. Realtors® also usually pre-qualify the people prior to showing them your home so you know that the person(s) looking can actually afford to buy your house.
